To: Mr. Brian Olson:

EPO 2013/CR-34 prescribes that the Monthly Status Report shall be submitted on or before the 7th day of the following month. CVRI is requesting a change for the submission of the December Monthly Status Report, which is currently required to be submitted on January 7, 2015.

The next Progression Report (Quarterly Update) is due on January 15, 2015. CVRI is requesting to submit the December Monthly Status Report (Clause 39) as an Attachment to the Progression Report on January 15, 2015, instead of on January 7, 2015.

EPO targets during the holiday break are focused on the review and upload of the field data collected during the 2014 season. CVRI believes that submitting the two documents on January 15, 2015, along with the raw data, will provide a more concise submission. No additional changes to the EPO reporting schedule are requested and weekly reports will be completed as prescribed throughout the holiday break.

Please do not hesitate to contact me if you have any questions or wish to discuss further.

Sincerely,

Kari McDonald, BA.Sc.
