Mr. Olson:

Requests have been received regarding the timing of an update to the HHRA, publishing of the 2015 data and related plan updates. We have reviewed the timelines from 2014 and have determined that an update to the HHRA and release of the 2015 field data will be submitted to the AER and various regulatory authorities on or before January 15th, 2016.

As the charges are pending, first week of October 2015, an updated communication plan will be formally submitted to the AER by October 30th, 2015.
